# SPORTS SURFACING AND LIGHTING

OD JOHNSON BALLPARK  
LAKE CHARLES, LA

### ***Strong Partnerships Mean Quality Projects***

T3 Global principals have been actively involved in sport construction since 2000 and have enduring partnerships with the industry's leading sports manufacturers. We are the exclusive partner in Louisiana and Mississippi representing three of the world's premier surface brands.

### ***AstroTurf, Artificial Turf***

The icon that invented the industry, AstroTurf's performance results rest squarely on sound research, rigorous testing, and innovation. Performance and safety have been the founding principles guiding this pioneering company since 1965.

### ***APT/Rekortan All Weather Running Tracks***

The original athletic track, Rekortan is installed in hundreds of facilities worldwide. This product is unmatched in durability and performance and trusted by athletes everywhere.

# YOUR SINGLE CONTRACTOR

**AS A BOUTIQUE CONTRACTOR MOSTLY WORKING IN THE GULF SOUTH, WE CAN RESPOND QUICKLY AND EFFICIENTLY TO ANY PROBLEMS YOU MAY HAVE OR MAINTENANCE NEEDS.**

## **Laykold Tennis Court Surfacing**

Laykold's Pace Precision, consistency, and dedication to player comfort, as well as environmental sustainability are why it is the leading major events court surface in the US and Canada. It is the featured surface at eight of the top 14 hard court events and the official surface of the US Open and Miami Open.

## **MUSCO, Sports Lighting**

The world leader in lighting, MUSCO has pioneered systems using LED technologies that have made dramatic improvements in energy efficiency and provided affordable ways to control spill light and glare. MUSCO's cost-effective, trouble-free lighting solutions can be found from Little League® fields to Olympic Games across the globe.

## **Turnkey is Key**

While most of our national competitors offer a single service, we offer turf, track and tennis turnkey, in addition to lighting. If you have a project that calls for multiple surface needs, T3 Global is your single contractor eliminating the challenges of dealing with multiple suppliers and vendors. In addition, as a boutique contractor, our overhead is low allowing us to provide cost-effective surfacing solutions backed by local service.

# FEATURED INTERNATIONAL PROJECTS

*T3 has cultivated a niche market in the Caribbean and Central America and our status as a single, turnkey contractor is extremely important to customers in these regions.*

In addition, we have gained in-depth experience mobilizing and building offshore, understanding different methods and techniques of working with limited equipment, coordinating shipping, and navigating local customs to import the materials. We have a long line of successful projects for our neighbors to the south.
